Sir,

With reference to your letter No. L.9904/L.B. 117-38-2 dated 12th June 1939 inviting the opinion of the Board in the matter of supplying standard medicines prepared by the Pharmacies attached to the Ayurvedic and Unani College, Mysore, to the several District Board Indigenous Dispensaries in the Mysore District, I have the honour to state that the subject was placed before the District Board at their meeting held on 18th August 1939. The Board considered the several aspects of the question. They thought that the several Pandits and Hakims may be advised to purchase the Standard medicines. Whenever the District Board Hakims and Pandits request the Pharmacy for the supply of the -- Standard medicines, the Pharmacy may do so, and send the bill of cost for payment from the District Funds out of the grant allotted to such Pandit or Hakim. Even then the Board are of opinion that the supply of such medicines be made to such Pandits or Hakims at a concession rate.

2. I enclose herein a copyof the resolution of the --- District Board on the subject for favour of your information. The Vaidyas and Hakims will be advised to purchase their requirements from the Pharmacy as far as possible.
